- English **Full Professional Proficiency** *Grade 6.5/9 on IELTS (2013), before 1 year of studying abroad.*

Computing Skills

General Web Development	Advanced knowledge (5 years)
Java	Intermediate skills (2 years)
PHP	Intermediate skills (2 years)
Git	Intermediate skills (2 years)
Android SDK	Beginner

Interests

Algorithms	Constantly improve thinking to break down problems and then solve them.
Math	Always open to math discussions, and looking for interesting patterns.
Rubik's Cube	Normally solved under 2 minutes. A hobby that also helps me to maintain a good memory.
StackOverflow	A good way to both, help and get helped by the <i>code community</i> .
CLJ	Stands for Youth Leadership Course on free translation. Improved my interaction with people. It is also a place full of volunteer work.
